

## CUSTOM HARVESTING INFORMATION

1. Oversize permits are not required for farm implements transported during daylight hours on KS & U.S. Highways, only on the interstate system. 8-1911(a)
2. Overwidth permits (\$10.00) can be purchased that are valid from May 1 to November 15, for use on designated Interstate Highways with a maximum width of 14 feet, and can be included with the harvest permits. (8-1911(c) 8-1902
3. Custom harvesters are required warning flags, 12 inches square, on overwidth loads. 8-1715 & 36-1-36
4. Two combine headers may be transported side by side. Permits are required for Interstate travel. OVERSIZE LOAD sign, and flags required at all times. 36-1-36 8-1902(e)
5. It is a moving violation if cited for no flags and will go on your driving record. 8-1715
6. Commercial Drivers License (CDL) is required for drivers of vehicles with GVWR or registered gross weight in excess of 26,000 lbs.. These are available at age 18 for custom harvesters.
7. Slow moving vehicle emblems must be covered when equipment is being transported if traveling at speeds in excess of 25 M.P.H. 8-1717(h)
8. Kansas farm registered vehicles are required 30 day permits for custom harvesting operations and the fee is \$26.00 regardless of registered gross weight.. 8-143h
9. Kansas registered vehicles may only purchase a 30 day permit for the gross weight which they are registered. They can raise the gross weight in the county they are registered.
10. Vehicles towing trailers must have enough gross weight registration to cover everything hauled or towed. 8-142(7)
11. Trucks used in custom harvesting operations are required fuel permits (\$10) if they meet certain requirements.
12. If not using a Harvest Permit or having Apportioned Registration, you are required:
  - A. Out of state custom harvesters traveling through Kansas are subject to 72 hr. permits (\$26.00) and a fuel permit (\$10.00). 8-127(b) & 70-34-122(b)
  - B. Kansas custom harvesters returning to Kansas are subject to a fuel permits. 79-34,122(b)
  - C. Service vehicles with farm registration are required a 30 day permit and fuel permit (if applicable). 8-143h & 79-34,122(b)
13. County Courthouses can only sell 30 & 60 day permits. Fuel and oversize permits are available only at Motor Carrier Inspection Stations located along the Kansas borders and through Central Permit office. (785) 296-2356 Permits can be faxed or mailed to you before you enter Kansas. If you are in doubt, cannot find a station, or will not be going near one you need to contact Central Permit at (785) 296-2356. Drivers can be cited for not having proper permits and fined up to \$500.00. 66-1324
14. When two trailers are towed the rear one must be equipped with lights and brakes.
15. Overwidth permits will not be issued for towing implements of husbandry on the Interstate system. (Grain carts, etc.) K.D.O.T. Oversize policy.
